# OPPORTUNITIES

*Greetings Hockey Fans,*

*We would like to take this time to say thank you for considering this wonderful opportunity to play a key role in our community. Your support will help develop strong young women and enjoy the exposure our teams, members, and association will provide to your organization.*

*Since 1991, the Central York Panthers' mission has been to provide the best recreational sports experience for female hockey players of all ages in the Central York Region, while fostering a strong sense of community pride, participation, and respect.*

*With over 1,000 female hockey players and growing, from ages 4 to 64, participating at both house league and competitive levels, our athletes engage in hockey games within the local community and across Ontario. They are also actively visible in local volunteer activities.*

*On behalf of the Central York Girls Hockey Association (CYGHA), we want to thank you for your time and consideration of our association. Providing a fun, healthy, and positive environment for young women would not be possible without the generous support from our sponsors, like yourself.*

*We look forward to the possibility of partnering with you and creating a positive impact together in our community.*

*Warm regards,  
CYGHA*
