

Safety Ambassadors

It is the responsibility of the Safety Ambassador to do the following:

- **Provide guidance and counsel to all CYGHA participants as they enter the facility and relay the usage instructions of the facility, OSHA protocols, and Provincial Health guidelines**
- **Confirm that all visitors have self-screened, and to collect the health questionnaire**
- **Observe safety rules, signage, and procedures established by CYGHA Executive and the Town**
- **Ensuring players/staff have their own masks and enough water for the entire session. There is no access to water fountains/filling stations**
- **Be safety-conscious in all activities. Self screen and fill out the health questionnaire before each time using the facility**
- **Report as soon as possible any accident, injury, unsafe condition, insecure condition, or threat to personal security to the visitors to the CYGHA Covid Response team – coach@cygha.com and CYGHA Admin info@cygha.com**
- **Minimize going in and out of doors including dressing room doors. Facility doors are considered high contact touch points. CYGHA staff should try to control the number of times players/coaches enter and exit dressing rooms, as this avoids hands making contact with the door handles. Use your elbows to open doors if possible**
- **If the group is participating in off-ice warm up this must be done outside while practicing physical distancing of at least 2 metres apart at all times. Ensure that exiting and entering the facility follows the traffic flow guidelines for the facility and the CYGHA**
- **Practice proper handwashing and hand sanitization on a regular basis**

- **Bring and wear a properly fitted and secured non-medical face mask with ties or ear loops at all times when in the facility, and make sure that the mask covers the nose and mouth at all times. They must wash their hands or use hand sanitizer before touching their masks to remove them or to put them back on**
- **Properly use and care for all personal protective equipment provided by your team, the CYGHA or the Town**
- **Keep all Health Questionnaires and Attendance Lists for a period of 2 years**

SAFETY AMBASSADOR “KIT”
(Items you should have)

- 1) Hand Sanitizer
- 2) Spare Masks
- 3) Attendance list
- 4) Spare Health Questionnaires
- 5) Pens
