On behalf of Coach Britt, Bree, Kevin & I we appreciate your interest in our U18AA Panther High Performance (PHP) program. We are proud of our athletes, the people they are and who they are growing & developing into. As a coaching staff we work diligently with each athlete to guide them towards their goals while empowering them to take ownership of their own personal journey. Our team is made up of 18 driven athletes from 18 great families. From a birth year perspective, 1 athlete was born in 2004, 9 were born in 2005 and 8 were born in 2006. Our 2021/22 team have players coming from 5 different 2020/21 teams including 2 athletes who are in their first season as a Panther. All of our athletes have aspirations to earn a spot at the PWHL next season and the Canadian USports or US NCAA level beyond that.

Coming off of a COVID season is challenging for everyone across all of hockey but it has reaffirmed our love of the game of hockey and our gratitude for the gift of competition that the game affords us all to be a part of. Early into our 2021/22 season our athletes came together to commit to FOUR PILLARS we would strive to represent on and off the ice, in and outside of hockey. They are Family, Ambition, Respect and Resilience. It is our expectation that as you get to know our athletes you will observe these qualities demonstrated in their actions and in your interactions with them.

The players have created their own profiles in the following pages of this Media Guide which have been reviewed by team staff to ensure accuracy. We thank you in advance for looking at our player profiles and encourage you to reach out to myself if you require any further information regarding our athletes under consideration for your program or if have any questions in relation to our players or our team. Best of success as you move forward with your scouting and recruitment process.

# HEAD COACH

## RYAN ESSEX

Phone: 416-206-2343

Email: [ryansx29@gmail.com](mailto:ryansx29@gmail.com)

2021/22 will be Ryan's 13th season as a coach within the Panther organization.

His coaching philosophy is centered on instilling confidence within each athlete to reach their best within an inspiring team environment. On and off the ice, respect, speed, hard work and discipline form the foundation of Ryan's teams and will again for the U18AA team in the 2021/22 season.

These attributes have garnered much success for his teams as players develop and learn the game by being given the opportunity to play in all game situations. Hockey is a game of mistakes - learning from them takes time, patience and a determined level of "compete."

Ryan believes in open and transparent communication with the players and their parents to ensure expectations of each other are known and aligned to ensure a positive experience for everyone. Making a positive experience the #1 priority has led to improved player development, a strong team culture and a very high player retention rate.

Ryan has spent the last 24 plus years with the Miller Group as a Professional Engineer within Canada and the U.S. and holds an MBA.

## Brittany Crago

### Assistant Coach

Brittany has extensive experience as a player, strength and conditioning coach and coach, and is excited to be joining the U18AA team after coaching the Bantam AA team for two years. While earning her Honours Bachelor of Science in Kinesiology & Minor in Psychology at Wilfrid Laurier University, she won two OUA Hockey Championships in 2010 & 2012, a National Bronze place finish in 2010, and was the team's leading scorer in 2013.

Brittany went on to complete her Bachelor of Education and Masters-of-Education at Nipissing University, where she was an Assistant Captain, and helped the Nipissing Lakers Women's Hockey team establish a National Ranking in the USport League, while earning the PRIDE Award and CIS All-Canadian Athletic/Academic awards.

While completing her degrees, Brittany worked as an on-ice Hockey Instructor and Strength and Conditioning Coach where she helped develop specialized strength and conditioning programs for athletes to maximize their performance.

Brittany was also an Assistant Coach with the Markham-Stouffville Stars MAA in 2016. Looking on to the 2021-2022 season, Brittany's goals are to create a positive learning environment that encourages players to learn and develop on and off the ice with a strong focus on communication, responsibility and accountability. Brittany is a secondary school teacher in the York Region District School Board

## Kevin Dutcher

### Assistant Coach

Kevin grew up and played minor hockey in Mississauga. He attended the University of Waterloo and played Varsity Football. He also played hockey in the Provincial Junior Hockey League (PJHL) for one year while attending University.

Kevin started coaching boy's minor hockey in 2006. He also has seven years of coaching experience in the CYGHA as both a head coach and associate coach at both the AA and A levels. He has coached teams which have earned a Silver Medal and placed 4th at the OWSA provincial championships.

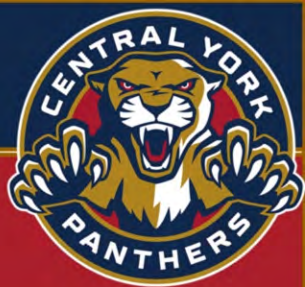

Kevin's focus will be on individual skill development and team tactics to set the players up to succeed in their positions and roles.

## Bree Grant Assistant Coach

The U18AA Panther High Performance Program is pleased to announce the appointment of Breanne Grant to the position of Assistant Coach for the 2021-22 season.

Bree began her hockey career playing boys minor hockey in New Liskeard, Ontario where she was born and raised. Bree played Minor Hockey with the Toronto Aeros in the PWHL and was invited to Team Canada U18 Selection Camp where she attended August Camp/Fall Festival. Along with that she was a member of the OWHA Team Ontario Red Program in her senior year of high school where she attended PEAC School for Elite Athletes. Bree went on to play NCAA Division 1 on a full scholarship at The Ohio State University (2013-2017) and completed her senior year as Captain.

After graduating from Ohio State, Bree went on to complete her MBA at University of Kentucky (2018-2020). Bree is excited to share her knowledge about the recruitment process for NCAA hockey, on and off ice player development as well as working with our athletes towards achieving their goals.

Previous Team: Central York U18 AA

School: Crestwood Preparatory College

Current Average: 88%

Academic Interest: Biology, math, business, fitness/health

About Myself: I am a dedicated, hard-working, and determined student-athlete. I show up to the rink every day with a positive attitude and the mindset to work hard on and off the ice. I always push myself to achieve my goals. I have been playing competitive hockey for most of my life as well as competitive soccer and many school sports. I am considered a strong leader on the team and always support and encourage my teammates. Hockey has made me the person I am today and has given me so many opportunities. I have made lifelong friends that are more like family, and I have developed most personal traits from my hockey experiences. I hope in the future I can achieve my goals of playing hockey at the highest level, then playing university hockey. I believe that if I continue to work hard and push to achieve my goals, I will be successful.

About Myself: I balance my grade 12 school work, playing high level hockey and my job while still managing to do each and every task at my fullest potential. I started playing hockey with the Panthers when I was 8 years old and have played high level lacrosse with the Redbirds during the summer. I have learned how to work with a team, how to manage my time and countless other things. I have always been an offensive and defensive player as I've played defender and forward throughout the years. While on the bench I am constantly cheering on my team and congratulating any good plays made. I understand the amount of work needed to achieve goals and being a dual-sport student-athlete I have developed all the tools needed to balance the work while still giving it 100%. I've always been very involved with other school sports while maintaining a 90% GPA.
