Attention: All CYGHA Members

As a follow-up to the OWHA bulletin sent to the membership last night, the CYGHA is closely monitoring any updates from the OWHA and Hockey Canada. The health and safety of our players, staff, administrators and families continues to be a top priority.

To confirm, there are NO sanctioned activities allowed through the OWHA or CYGHA until further notice. This includes games, practices, tournaments, team dryland training activities and CYGHA-organized team banquets. At this time, we do not know if Rep Tryouts will proceed or not. The full impact of these cancellations, including financial, is being reviewed by the Executive.

As soon as more information is available, we will advise all members immediately. Please refrain from contacting the hockey office or board members to get updates as we do not have the capacity to handle the volume of requests.

We will provide updates as soon as possible. We wish all members continued good health.

Thank you for your patience and cooperation.

CYGHA Executive.
