

March 31, 2020.

Dear Panthers,

I do hope everyone is well and keeping busy, hopefully this will end soon and we can all get back to the things we love to do.

I just wanted to update everyone as I am sure that there are questions about this past season as well as next. The Executive has been discussing last year's finances and we are currently waiting to hear from each of the towns about our ice costs. We are not yet certain about how much of the unused ice we will have to cover so we are unable to determine our final costs. Once we get the final numbers from the towns we will pass the information on to you.

As for Rep tryouts, we are waiting on Hockey Canada and the OWHA to determine when we can hold them. There is still no timeline on that.

For those in House League who have First aid kits and goaltender equipment, please keep it in a safe place and we will notify you when and where it can be dropped off.

For our DS players, please ensure your sweaters are clean and hung up and, again, once we are able to arrange a place and time for drop off we will notify you.

I encourage everyone to practice social distancing, stay home as much as you can, please help others in need and hopefully this will end quickly.

Richard Clarke  
President CYGHA
